## From My Heart...

In his book *When Enough Is Enough*, David Augsburg, writes the following...

1. People are illogical, unreasonable and self-centered.

Love them anyway

2. If you do good, people will accuse you of selfish ulterior motives.

Do good anyway

3. If you are successful, you win false friends and true enemies.

Succeed anyway

4. The good you do today will be forgotten tomorrow.

Do good anyway

5. Honesty and frankness make you vulnerable.

Be honest and frank anyway

6. The biggest men with the biggest ideas can be shot down by the smallest men with the smallest minds

Think big anyway

7. People favor underdogs, but follow only top dogs

Fight for a few underdogs anyway

8. What you spend years building may be destroyed overnight.

Build anyway

9. People really need help, but may attack you if you do help them.

Help them anyway

10. Give the world the best you have and you'll get kicked in the teeth.

Give the world the best you have anyway

These ten items present to us a great challenge! But it's not an impossible challenge. With God all things are possible.

We will have a special Dedication Service next Sunday night, January 21 for our new Preschool and Children's Building. It is going to be the greatest challenge Woodland Hills has faced. This building project will totally change space and created 20,000 square feet of more space, and over 150 more parking spaces! What a blessing!!!

Preparing People For The Coming Lord,  
Bro. Charles
