From My Heart...

In 2006, Alitalia Airlines made a slight mistake on its website. They advertised business-class seats from Toronto to Cyprus for \$39. That was a great deal for the customers who bought up over 2,000 tickets! It was not however a great deal for the airline. The price of that flight was supposed to be \$3900 per ticket not \$39. Somebody messed up!!

Somebody messed up big time and it cost the airline \$7.7 million.

We look at that and might think, "How could anyone mess up so badly?" Or we could think, "I know what that's like!" Because, we have all messed up in life and had to pay a price for it. We can take it a step further and say not only have we messed up in life we have also messed up our lives.

- The Bible tells us that we have all made a mess of our lives because of sin.
- We have willingly and deliberately - throughout our life - sinned against God and rejected His plan for our lives.
- The cost of that rebellion - cost of sin in our lives - cannot be measured in dollars and cents but in tears, heartache, fear, grief, regret, guilt and shame.

The good news is that no matter how messed up your story might be it doesn't have to stay that way. Jesus is a Savior who delights in cleaning up messed up lives and making people whole. Turn to Him today!

Thanks for your sweet spirit and desire to be flexible in this transition time. Because of your willingness to be flexible in the Chapel, Fellowship Hall, and Ladies and Men's Sunday School Classes, you are saving the church \$50,000 during this transition. That's not exaggeration, that's the bid we had to operate through the year in a rented location. But because of your flexibility, that's \$50,000 that can be spent in ministry!

Please continue to pray for Building For Eternity, our Church Council and all our Teams as we walk by faith. The result of your sacrifice is going to be overshadowed by the joy and victory as we move into this new Preschool/Children's Building!
