From My Heart...

There is a story told about two lines of husbands in heaven, one for the dominant husbands and one for the passive, submissive husbands. The submissive husband line extended almost out of sight. There was only one man in the dominant husband line. He was small, timid, appeared to be anything but a dominant husband.

When the angel inquired as to why he was in this line, he said, "My wife told me to stand here!"

I believe that one of the greatest problems in marriages today is that men and women do not know what the other one really needs to satisfy their needs. The needs of a man and a woman are completely different. That's what the study about "Mayhem In The House" is all about; trying to teach us the difference between a man and a woman.

I praise God that we're not all alike. That would make life so boring. But we're each different. And in many cases, not all, but many, God seems to put couples together that are almost total opposites. That's makes for some challenging and exciting days!

I believe our church will be strong when families are strong in the church. Families will be strong in the church when husbands and wives are strong in their marriages. It's a progression, and wherever the weakest link is, there you will find the possible avenue of destruction.

So our goal is to find that weakest link, bath it with the Word of God, Holy Spirit led prayers, and then Godly, practical application. James says it like this..."Submit yourself to the Lord, resist the devil and he will flee from you." It must start at the beginning...so it is with a Godly family.

Bro. Charles

Scripture of the Month

"But without faith it is impossible to please him: for he that cometh to God must believe that He is, and that He is a rewarder of them that diligently seek Him." Hebrews 11:6

HOW GOD HAS USED CR IN MY LIFE

God has healed my family after an adulterous affair which led to a divorce and reconciliation. He has given me back my marriage. I started going to Cr because I just needed someone to talk to. God has given me much more than I ever thought possible! I have support and accountability in CR and I can just be myself there!
