From My Heart...

The following were cards that were sent to Mothers on Mother's Day:

- "It's not easy being a mom. If it were easy, then I would have asked dad to do it."
- "Sorry for being a constant financial burden on your life."
- "Mom, I love you loads... speaking of loads... can you do my laundry?"
- "Mom, I still can't fold a fitted sheet, but I think I turned out alright."
- "Mom no matter what life throws at you... At least you don't have ugly children."

Only God Himself fully appreciates the influence of a Christian mother in the molding of character in her children.
~ Billy Graham

I don't believe there are devils enough in hell to pull a boy out of the arms of a godly mother. ~ Billy Sunday

To be a mother is by no means second class. Men may have the authority in the home, but the women have the influence. The mother, more than the father, is the one who molds and shapes those little lives from day one. ~ John MacArthur

My mother was the most beautiful woman I ever saw. All I am I owe to my mother. I attribute all my success in life to the moral, intellectual and physical education I received from her. ~ George Washington

We are so glad that you have come to worship with us today! If you need anything we have folks stationed at all the doors and they would love to help you in anyway possible. If you would like more information about our church and how to get connected in a greater way please stop by our 'connection' center on your way out and we would love to give you a 'Connect, Grow, and Serve Guide.' Today's going to be a wonderful day, thank you for being with us!

Scripture of the Month

"And when he had called the people unto him with his disciples also, he said unto them, Whosoever will come after me, let him deny himself, and take up his cross, and follow me."

Mark 8:34
