From My Heart...

Welcome to Woodland Hills and thanks for being here today as we worship the Lord. My prayer is that you will leave this place and say with the prophet...it's been good to be in the House of the Lord!

It is my conviction that the Bible is a record of theology in mission - God in action in behalf of the salvation of mankind. THE BIBLE IN ITS TOTALITY ASCRIBES ONLY ONE INTENTION TO GOD: TO SAVE MANKIND.

1. Missions is the HEART of Christ - John 4:4 "And he must needs go through Samaria." The route through Samaria was a necessary way because there was a needy woman. His heart was so filled with love for the lost, he went the route other Jews would not dare. God had only one Son, and He made Him a missionary.

2. Missions is the HOPE of the Condemned - Without the gospel, man is helpless, hopeless, and hell bound. Though the lost here may not recognize it, the domed in hell know the hope of the lost is missions. The story is told of an agnostic professor who visited the Fiji Islands. The professor remarked to an elderly choir "You are a great leader, but it is a pity you have been taken in by those Christian missionaries. No one believes the Bible anymore. People are tired of the story of Christ dying on cross for the sins of mankind. They know better now. I am sorry you been so foolish as to accept their story." The old chief's eyes flashed as he answered, "See that great rock over there? On it we smashed the heads of our victims. Notice the furnace next to it? In that oven we used to roast the bodies of our victims. If it wasn't for those missionaries and the message they brought that changed us from cannibals to Christians, you would our next supper."

3. Missions is the HEALTH of the Church - Since salvation through Christ has been provided for all men, it must be proclaimed to all men. Only as the church fulfills her missionary obligation does she justify her existence. The mission of the church is missions.

- A. Must visualize - John 4:35
- B. Must agonize - Matthew 9: 37, 38
- C. Must evangelize - Psalm 126:5,6

The church that does not evangelize will fossilize! If God wills the evangelization of the world, and you refuse to support missions, then you are opposed to the will of God. The supreme task of the church is the evangelization of the world.
