## From My Heart...

Souls for Summer...are you praying??? Feeling a concern for witnessing can mean that you will have to stand up and be counted, and this can bring some degree of abuse.

In his book, Getting Into God, Stuart Briscoe gives a true story that happened with one of his children. "Years ago I was praying with one of my children at bedtime, and I asked him if he had any problems we should pray about. He couldn't think of any, even though I could think of a number! Rather unwisely, I pressed the point and asked, "Don't you have any problems at school?" "No," he replied quite firmly. "Don't the kids give you a hard time because you're a Christian?" Again the answer was "No." Thinking back to my own traumatic school days, I said, "But kids always give you a hard time if you let them know you're a Christian." His reply was frank beyond belief: "All the more reason you don't let them know!" And quite happily he turned over to sleep."

This young child had put into words the practical reasons why many Christians don't witness. They don't want to take the consequences.

Most of us at Woodland Hills believe that it's not going to be long before Jesus comes back for His bride. Those who are not ready (and by ready I mean have a personal relationship with Jesus Christ) will be left behind. They'll not have another opportunity to make a decision.

It is imperative we...

- Speak every breath we can
- Give every dime we can
- Do every deed we can

WHILE WE CAN!

Lost people are counting on us to be a witness...let's not let them down!

Souls for summer...
