HAVE A GREAT WEEKEND

Woodland Hills Baptist Church

From My Heart...

Thanks for all who prayed, sang, cooked, cleaned, attended, work with preschoolers to make this the absolute best Awesome August in our history! God blessed with great music and God anointed and Bible centered preaching. Cd's are available and all services are our website at www.whbchurch.com.

A minister, a Boy Scout, and a computer expert were the only passengers on a small plane. The pilot came back to the cabin and said that the plane was going down but there were only three parachutes and four people. The pilot added, "I should have one of the parachutes because I have a wife and three small children." So he took one and jumped.

The computer whiz said, "I should have one of the parachutes because I am the smartest man in the world and everyone needs me." So he took one and jumped.

The minister turned to the Boy Scout and with a sad smile said, "You are young and I have lived a rich life, so you take the remaining parachute, and I'll go down with the plane."

The Boy Scout said, "Relax, Reverend, the smartest man in the world just picked up my knapsack and jumped out!"

If you're not careful, you'll end up carrying baggage that is filled with pride in this life. Make sure you're walking in humility. God has blessed us so much at Woodland Hills, be sure you remember, it's not because we're special or better than anyone else, it's because of the grace of God! We are justified by Christ, so our works, money, family history have nothing to do with our salvation. It has been provided by the love and grace of God.

Preparing People For The Coming Lord,
Bro. Charles
