## From My Heart...

Israel had turned their back on God to follow a manufactured god named Baal. Not only was it dumb to worship a piece of metal and call it god, but worshiping Baal involved sexual and other sins. To make it worse, Israel's king and queen, Ahab and Jezebel, were leading the charge. God had sent his prophet Elijah to tell Ahab, "There will be no rain in Israel until Israel learns that God, not Baal, sends the rain." Things were desperate. No rain in three years!

Ahab was furious. He had rather kill the messenger than respect the message. He turned the country upside down hunting Elijah, but God was hiding him. Now after three years, time enough for God's saving discipline to sink in, God says to Elijah, "Go and present yourself to Ahab, and I will send rain on the land." God commands the unreasonable, the impossible. Ahab has murder in his eye. But Elijah trustingly obeys God. He goes where he doesn't want to go.

Have you been there in your life...when God said go and you didn't want to go.

Hard as it was, Elijah was able to move forward because he trusted God completely. If he walked in God's will, God would protect and enable him. God will do the same for you and me. When will we ever learn that God's way is the only way for things to come right? When we submit in faith, marvelous break-throughs may happen which otherwise would never come.

As we begin the fall season, please pray about what God would have you to do and where He might want you to do. There are endless opportunities to serve thru this ministry.

Please pray about next Sunday, FRIEND DAY, at Woodland Hills, We are seeking to have the largest attendance in the history of Woodland Hills. We need our largest offering ever given to get us over the summer expenses and prepare us for the fall season of reaching people for Jesus! Nothing is impossible with God, BUT God has chosen to use people...you and me. I'm ALL in...Please join me!
