FROM MY HEART....

Dietrich Bonhoeffer was a gifted young man who grew up in Germany in the early 1900's, and who went into the ministry, becoming a noted pastor and theologian. He watched the Germany that he knew, change before his very eyes into something totally unrecognizable from it had been. It is sobering to realize... "This same thing is what is happening in our country today!" I have heard many people say that they feel like the America we have known is slipping, or already slipped away.

How do we respond in such times? Panic? Fear? Anger? God's word should be our guide as disciples of Jesus Christ.

Dietrich Bonhoeffer could not conscientiously support Adolph Hitler and the Nazis in Germany, and he was eventually arrested. Under interrogation, he told them that he was an enemy of National Socialism (the Nazis) and he could not support them because of his Christian convictions. Bonhoeffer was soon brought to the gallows in a German concentration camp and hanged.

But the Nazis didn't win. Dietrich Bonhoeffer went in peace to God, where he lives with Him in unimaginable glory forever. The Nazi's faced judgement before men and before God.

Things may look bleak, but God is on His throne. Consider what you are doing in these last days and make it count for Jesus!

Some need to "surrender to Jesus" today. You know you have rebelled against God, and you need to make a commitment to Jesus as your Savior, that in these last days, you are publicly lining yourself up with HIM! Humble yourself, and confess Him publicly in baptism; and live for Him in this world from this day forward.

Some of us here SAY we side with God, but the question is, does our LIFE show that? Jesus said, "If you love Me, keep My commandments." If you are living in purposeful disobedience to the commandments of His word, you are putting yourself in opposition to God. For some of us there is a specific sin that God is calling us to repent of today, and turn and obey His word.
