WELCOME

If you are reading this, you are more than likely interested in a Christian education. So are we! Our desire is to provide a well-rounded education in a safe environment, with teachers that stand on the Word of God, teaching a Biblical worldview, ensuring a bright future for every student...all at an affordable price for any family. So welcome to Woodland Hills Christian Academy!

Jesus set a beautiful example for admonishing children when He said "Let the children come to me; do not hinder them, for to such belongs the kingdom of God" in Matthew 10:14. At WHCA we are thrilled to see children grow in the nurture and admonition of the Lord while tending to their schoolwork. They are our future, and we count it a privilege to be investing in this next generation.

My prayer is that God would lead every student, parent, and family to the place of education that fits their needs and fills their desires. You can be assured that we are praying over each applicant to WHCA, trusting the Lord to work it all together for His good.

May God bless you this school year...

WOODLAND HILLS CHRISTIAN ACADEMY

2024-2025 School Year

Woodland Hills Christian Academy is recognized by A.C.E., The School of Tomorrow, Hendersonville, Tennessee, and offers an instructional program for grades Pre-K through the twelfth grade. Serving in cooperation with Woodland Hills Baptist Church, belief in God, Biblical education, and patriotism are an integral part of a student's studies and activities.

Woodland Hills Christian Academy maintains educational excellence in an atmosphere conducive to educational and Christian development.

Woodland Hills Christian Academy develops character and positive attitudes in each of its students. It seeks to instruct children in the application of God's principles to their daily lives as they pursue Christ and His purpose for them individually. This is accomplished through an excellent academic program, positive role modeling, and fellowship with other Christian young people. Students wear uniforms, which help in the teaching of self-control and discipline, neatness, and modesty in dress, which the student can carry with him or her all through life.

INTRODUCTION

The objective of this handbook is to acquaint parents, students, and teachers with various policies of Woodland Hills Christian Academy. The contents of this handbook will be discussed with prospective students and their parents at the time of interview for admission to the Academy. This is to answer any questions concerning general school policy, purpose and philosophy of a Christian education, manner of discipline, standards, and other matters of interest to parents and their children.

Our goal at WHCA is to maintain academic excellence in a Christ-centered atmosphere. The academy is an extension of Woodland Hills Baptist Church and should be viewed as functioning with and in conjunction with the church.

This Handbook is a method of coordinating the efforts of parents, teachers, and students. It does not attempt to spell out the rules for every occasion. Common sense, good judgment, and principles from God's Word are relied upon for most decisions. These policies are intended to provide for an orderly relationship among the parents, students, and school.

The administration may change this handbook at any time it deems necessary. Handouts during a given year will update said changes, until they may be printed in a newly revised handbook.

MISSION STATEMENT

Our mission at Woodland Hills Christian Academy is to provide a Christian education to all students. We hold to the teaching of Matthew 25:40, when Jesus said “whatever you did for one of the least of these brothers and sisters of mine, you did for Me.” At WHCA we don’t discriminate in any regard, and we strive to be a vital part in helping our community. Our students will receive a well-rounded education rooted in the scriptures.

STATEMENT of FAITH

Woodland Hills Christian Academy believes, teaches, and preaches the following:

1. The Bible is God’s revealed written Word, inerrant, inspired by the Holy Spirit, and infallible and authoritative for all who claim Jesus as Savior and Lord of their lives.
2. God is one in three persons. Father, Son, and Holy Spirit, He is the Creator, Redeemer, and Sustainer of life.
3. Jesus Christ of Nazareth is Lord. He was virgin born, lived a sinless life, was crucified for our sins, died, arose on the third day, appeared to the disciples and many others over a period of 40 days, then ascended to the right hand of the Father where He is exalted and is coming again in glory.
4. All people are born with a sinful nature and live with that nature and its fruit until they repent and by faith receive Jesus Christ as Savior and Lord of their lives. The evidence of repentance is a regenerated life that emits love, and the presence of the Holy Spirit manifesting the presence of Jesus in gifts, fruit, and wisdom.
5. Water baptism is by immersion after the person has received Jesus as Lord and Savior.
6. Baptism, overwhelming, anointing, filling, of the Holy Spirit is the Father’s promise for all believers, empowering them for ministry through supernatural gifts of the Holy Spirit. We stress continual fillings in the life of the believer for the work of the ministry.
7. God calls us to a holy righteous life in Him. We are to live lives separated from the world while in the world. Our lives are to be characterized by the character and ministry of the Lord, Jesus Christ.
8. Jesus is going to return in person for His church. He will judge all mankind. The righteous will inherit the new heaven and the new earth; the unrighteous will be banished to eternal punishment in a literal hell.

A COMPLETED APPLICATION for ENROLLMENT REQUIRES the FOLLOWING FORMS...

Student Application
Medical History
Financial Policy
Record Release Form
Copy of Birth Certificate
Parent and Student Commitment Form
Standard of Conduct Form
Photo Release Form

Forms for enrollment at Woodland Hills Christian Academy are available from the school office. The medical history must be accompanied by a signed doctor's verification of required vaccinations. A copy of the student's Social Security card is also requested. Other forms for enrollment may be required as the need presents itself.

STANDARD of CONDUCT

Students of the WHCA are expected to refrain from engaging in/or talking about: cheating, swearing, any use of tobacco, vaping/nicotine, un-godly music, dancing, sexual language, drinking of alcoholic beverages, and using narcotics. Any student who participates in or talks about such activities is subject to immediate suspension. They should not discuss ungodly music or secular movies while at school.

Woodland Hills Christian Academy students are expected to act in an orderly and respectful manner, always careful to maintain good Christian standards of courtesy, kindness, clean language, morality, and trustworthiness. Each student must sign a "Standard of Conduct Form", agreeing to strive toward unquestionable character in the areas of conduct, speech, modesty, and attitude. These standards are to be upheld at all times, in and out of school.

Any student observing questionable activities or overhearing conversations which are contrary to the policies of this Academy should immediately discuss the matter with the administration. This is not tattling. It has been said, "All it takes for evil to triumph is for good men to do nothing." "... to him that knoweth to do good and doeth it not, to him it is sin." James 4:17.

Each student and parent must understand that enrollment at Woodland Hills Christian Academy is a privilege. Therefore, at any time a student is subject to suspension, expulsion or non re-enrolment based on the student's behavior and/or academic performance.

ENROLLMENT

The Academy is committed to a plan of controlled, yet continuous, enrollment of new students. Information will be provided to all interested parents. Application forms will be provided upon request, accompanied by a copy of this handbook. In order for parents to apply for admission for their children,

a non-refundable application fee must accompany each child's application. Copies of the child's birth certificate, last year's report card, any standardized tests, immunization record, and any other form specified in this handbook must accompany the application in order for it to be considered complete.

Upon receipt of a completed application, an interview with the parents and child(ren) will be arranged. The principal will discuss with the parents and each prospective student the purposes and standards of the Academy. Parents and prospective students will be given adequate time to have their questions about the Academy answered. In turn, the parents will be asked about their religious beliefs and experiences, their educational goals for their children, and whether or not they are willing to adhere to the policies and standards set forth in this handbook. After prayer and seeking God by all parties and agreement is reached that WHCA is in the will of God for the education of your child, he or she will be accepted into the student body. The parents will sign a form releasing the permanent records of the prospective student. An appointment for student testing will be arranged. If available, space in the Academy will be reserved for the student. If space is not available, the student will be assigned a position on the waiting list based on (1) the date that his completed application was received, and (2) the date that his interview process was successfully completed. Parents will be invited to enroll their children as openings occur according to the chronological waiting list. The results of standardized testing and consultation among the parents, teacher(s), and the principal will determine the final grade placement. Upon enrollment, students will serve a 30-day probationary time period in which the student will be able to adapt to the guidelines set forth by Woodland Hills Christian Academy. If during this 30-day period, a student is not successful or does not abide by the code of conduct, that student will be unenrolled without further financial payment due to the Academy.

PARENTAL INVOLVEMENT

All parents, guardians, and caregivers are expected to:

- Attend parent orientation at the first of each year.
- Participate in activities that undergird the Academy such as financial support, fundraising, volunteer labor, and supervision of field trips and extracurricular activities.
- Respect the school.
- Understand that both teachers and parents need to work together for the benefit of their children.
- Seek to clarify a child's version of events with the school's view in order to bring about a peaceful solution to any issue.
- Correct your own child's behavior especially when it could otherwise lead to conflict, aggressive behavior, or unsafe behavior.
- Approach the school, not other parents, to help resolve any issues of concern.
- Avoid using staff as threats to admonish children's behavior.

In order to support a peaceful and safe school environment, the school cannot tolerate parents, guardians, caregivers, and visitors exhibiting the following:

- Disruptive behavior which interferes or threatens to interfere with the operation of a classroom, an employee's office, the main office area, or any other area of the school grounds.
- Using loud/or offensive language, swearing, cursing, using profane language or displaying temper outside of Christian character.

- Threatening to do actual bodily harm to a member of the school’s staff, a visitor, a fellow parent, or a pupil regardless of whether the behavior constitutes a criminal offense.
- Damaging or destroying school property.
- Abusive or threatening emails or text/voicemail/phone messages or other written communication to any Woodland Hills Christian Academy School employee.
- Gossiping with other parents, teachers, students, staff or guests regarding the school, teachers, students, processes, policies, or otherwise.
- Defamatory, offensive, or derogatory comments regarding the school or any of the pupils/parent/staff, at the school whether face to face conversations, text messaging, the use of social media, etc. Any concerns you may have about the school must be made through the appropriate channels by speaking to the class teachers and, if not resolved, proper administration, so the matter can be dealt with fairly, appropriately, and effectively for all concerned.
- Approaching someone else’s child to discuss or chastise him or her because of the actions towards the parent’s own child.
- Smoking (Cigarettes or vapors) or consumption of alcohol or other drugs while on school property.

Should any of the above guidelines be breached by a family, then such actions will result in penalties including restricted access to extracurricular events, removal of the student of the offending family from enrollment at Woodland Hills Christian Academy, contacting the appropriate authorities, or any other action deemed necessary.

Like a tardy, student's miss important schoolwork. For early pickup, parents will be required to checkout their student(s) through the school office. *In case of cold weather leggings may be worn underneath shorts or sweats/jogger pants may be worn. (Pajama pants are not allowed)

Boys: Modest shorts, T-shirts with WHCA logo, and tennis shoes.

*In case of cold weather sweats or jogger pants may be worn.

Standard and P.E. uniforms are subject to change as needed.

ENFORCEMENT

Enforcement of the dress code will be at the discretion of the principal or supervising teacher. The question of hair length, dress length, or if the student is dressed in proper uniform will be the sole decision of the principal or supervising teacher. Students in violation of dress code will be subject to disciplinary action, parents will be called to bring a change of clothes, and on the third offense will be sent home.

EXPECTATIONS

Students are expected to arrive at school prepared with their belongings (i.e. backpack, lunch, school supplies, water bottle, snack, P.E. clothes, etc.) on a daily basis. Parents will be contacted and asked to bring the necessary supplies if the student is not prepared. If the problem persists the parent will be called to come pick up their child as the student won't be able to participate in class without necessary supplies.

WHCA and the A.C.E. Curriculum strive to teach children to be prepared daily in their learning. We have a high expectation for children to be prepared for their daily education experience. This involves being prepared physically, mentally, and spiritually. We expect the parents to help with this

preparation on a daily basis. God calls us to be prepared in His Word. II Timothy 2:15 says, “Study to shew thyself approved unto God, a workman that needeth not be ashamed, rightly dividing the word of truth.” This is a highly valued character trait of Christ. Therefore, it has high consequences when not followed. Benjamin Franklin said, “By failing to prepare, you are preparing to fail.”

ABSENTEE POLICY

If your child is not at school, he/she will be counted absent. If your child completes his/her work at home that day, it will help him or her to get a complete at the end of the year.

1. Every third unexcused tardy will count as an unexcused absence for the year. You will have the option to erase 3 unexcused tardies by paying a \$25 fee.
2. If a student has more than 15 absences (excused or unexcused) in a year, then he/she will be considered for immediate dismissal from WHCA, either temporarily or permanently.

BAD WEATHER DAYS

At the discretion of the principal, school will be closed because of inclement weather. Usually, but not always, if public school is closed for bad weather, the Academy will be closed also. We usually follow Hallsville ISD for closures.

DISMISSAL for EXTRACURRICULAR ACTIVITIES

Students may not be excused during school hours without special permission.

REPORT CARDS and CONFERENCES

Report cards will be sent out at the end of each eight-week period. Conferences with parents can be held if requested by parents or staff.

VISITS by PARENTS

Parents are welcome and encouraged to visit the school at any time as long as the visit is not disruptive to the students or staff. Parents should be dressed in an appropriate manner.

Check-in for parents visiting campus for any reason, including lunch with their child(ren), must be through the school office where a Visitor’s Tag ID will be issued. The issued and dated ID will be required while on campus at all times.

TELEPHONE

Students will not be permitted to use cell phones and/or smartwatches while on school campus or school related trips. This includes all field trips. Cell phones brought to school must be turned into the teacher upon arrival and will be returned to students at dismissal. If a parent or guardian needs to get in contact with a student while away on a school function, they will be able to contact the teacher(s) directly via personal cell phone and/or Brightwheel.

COMPUTER and INTERNET ACCESS

Woodland Hills Christian Academy utilizes the technology available in today's world through the use of computers. With the ever-increasing amount of unwholesome content through the Internet, students will not be allowed Internet access without permission and/or supervision. Also, students wishing to access an e-mail account from the school computers must have written permission on file from their parents.

The staff will be the final judge as to whether a website is appropriate for viewing by a student. As a general rule, any website that contains, promotes, or discusses immoral actions, inappropriate language, or any worldly pursuits, which are against Christian values will be considered inappropriate for viewing.

Inappropriate Use of Social Network Site

Parents and students agree not to defame Woodland Hills Christian Academy or state anything in a manner that could be construed as derogatory about the school or create divisiveness amongst the school community. Social media websites are being used increasingly to fuel campaigns and complaints against schools, teachers, school staff, and in some cases other parents/pupils. WHCA considers the use of social media websites being used in this way as unacceptable and not in the best interest of the children or the whole school community. Any concerns you may have must be made through the appropriate channels by speaking to the class teacher, or the administration, so they can be dealt with fairly, appropriately, and effectively for all concerned. Violating this provision could result in removal from enrollment.

In the event that any pupil or parent/care giver of a child(ren) being educated in the school is found to be posting libelous or defamatory comments on Facebook or other social network site, will be reported to the appropriate "report abuse" section of the network site. All social network sites have clear rules about the content that can be posted on the site, and they provide robust mechanisms to report contact or activity that breaches this. The school will also expect that any parent/care giver or pupil remove such comments immediately.

Additionally, cyber bullying and the use of one child or a parent to publicly humiliate another by inappropriate social network entries will be dealt with as a serious incident of school bullying.

We trust that parents and caregivers will assist our school with the implementation of these policies, and we thank you for your continuing support of Woodland Hills Christian Academy.

EMERGENCIES, ILLNESS, and MEDICATION

Emergencies

A parent who needs to reach his child due to an emergency should contact the school. In case of an accident at school, an attempt will be made to reach the parents.

Excuse from Physical Education

Students will only be excused from participation in physical education with a doctor's permit. If your child does not have the proper P.E. uniform, he/she will be set in detention.

Illness

If a student becomes ill, the parents will be contacted, and the child sent home. Parents will also be notified if there are contagious diseases or parasites. Students must be symptom free for 24 hours before returning to school.

Medication

If a student must take a prescription medication during school hours, written authorization from the parent and/or physician must be on file in the school office. Medications are to be delivered to and kept in the school office. Prescriptions must be sent to school in their original container and may be administered only to the student named thereon and according to the directions. This authorization must be renewed each school year.

Responsibility for Injuries

Students in attendance at WHCA must assume any and all responsibility for injuries received at school or any school function or event. The Academy is not responsible for any damage resulting from injuries, which occur as a result of misconduct of the student.

LUNCHES

No lunches are provided on a regular basis at or by the Academy. Each student is responsible for bringing his/her lunch daily.

GRIEVANCES

If a parent becomes dissatisfied with the Academy in any respect, he should first seek to resolve the matter with the person, or persons involved rather than spreading criticism or maintaining a negative attitude. The faculty and staff of the Academy act as the parent's representatives to their children; therefore, they are the parent's authority in the parent's absence. In order to protect and strengthen this relationship, parents are encouraged to maintain objectivity when they or their children have a grievance against a member of the faculty and staff or the policies of the Academy.

NON-DISCRIMINATION

Woodland Hills Christian Academy does not discriminate on the basis of race, color, or national origin with regard to students, faculty, or staff.

DISCIPLINE

God's Word, the Bible, is the Academy's authority for determining right from wrong, and distinguishing virtue from vice. The Academy has adopted a pattern of discipline that is set forth in the Bible, believing that effective discipline of children is both formative and corrective. The Academy will endeavor to form the character of a child by surrounding him with an environment of unconditional love and let him know that he is accepted by the Academy as a person with dignity and worth, since God has created him for the purpose of bearing His own image and likeness. In order to form the character of a child in a way that pleases God, parents and teachers must be alert and ready to commend good behavior and to correct bad behavior.

Some aspects of discipline are to be practiced constantly in a formative way. The following sequence will be used in the process of correction.

1. Instruction

We will teach our students what is expected of them, both morally and academically. This begins on the first day and continues throughout the school year.

2. Commendation

We will praise and enforce good behavior and any sign of progress. We will endeavor to identify the student's positive characteristics in order to build his confidence.

3. Reproof

When a student fails to fulfill a responsibility, misbehaves, or breaks a rule, we will Biblically identify the offense and its consequences. We will attempt to determine if the child understands what is expected of him.

4. Correction

In order to correct habitual or rebellious behavior, the teacher will take action in keeping with the offense that will best lead the child to repentance.

- a. Parent-teacher consultation.
- b. Apply the Word of God to specific offense.
- c. Restitution (in cases involving property that can be restored or replaced).

5. Confession and Forgiveness

Through prayer and love, the child will be brought to accept full responsibility for his actions by confessing to and seeking forgiveness from anyone whom he has offended or injured.

6. Response and Forgiveness

The teacher leads anyone offended to express forgiveness and acceptance. The teacher also expresses appropriate forgiveness, affection, acceptance, and affirmation.

Disciplinary action is to be handled with discretion on the part of all concerned. The principles of Matthew 18:15-17 (and other passages dealing with corrective discipline) are to be followed with great care, in order that no one's reputation be spoiled with careless talk.

Actions or behavior which require disciplinary action such as expulsion, temporary or total, include, but are not limited to lying, cheating, stealing, cursing, and immoral acts as determined by conservative Biblical standards. These actions or behaviors are considered including, but not limited to, on or off school property.

Any exception granted for one does not constitute policy for everyone, but is given only to that individual or individuals for that particular offense at that particular time.

Additionally, it is the desire of the staff, faculty, and administration of Woodland Hills Christian Academy to have each student travel in the direction that God would lead them. There are two important ways in which we encourage our students to live for Jesus.

1. The first way is to challenge them through personal contact with other believers who are serving God (Heb. 10:25).
2. Secondly, we can build their faith, confidence, and trust in God by requiring them to be under the teaching and preaching of God's Word during daily services (Romans 10:17).

It is required that all students attend a Bible believing church every week.

Woodland Hills Christian Academy expects full cooperation from both student and parent in the educational process. If at any time the academy feels that this cooperation is lacking, the student may be requested to transfer out. Enrollment at Woodland Hills Christian Academy is a privilege, not a right. Even though a student has not broken any specific rule or regulation, we expect him/her to abide by the spirit of the law, as well as to abide by the letter of the law. A destructive, critical, and cynical attitude grieves the Holy Spirit and is destructive to Christian growth and Christian fellowship. If at any time, a student manifests a detrimental influence or spirit of controversy at the academy or displays a spirit contrary to the purpose and principles for which the academy stands, he/she is subject to expulsion.

The strategy for discipline is the demerit system, which is designed to give students and parents another objective picture of the student's general attitude and behavior.

Woodland Hills Christian Academy is not meant to be a correctional institution. It is designed to work with the home, but not take the place of parents who have experienced difficulty in fulfilling their God-given roles. WHCA exists not only to give the student the academic tools to make a living but to teach them how to live.

Complaining will not be tolerated! If your child does come home complaining about a policy, rule, or discipline – please follow this procedure:

1. Give the staff the benefit of the doubt.
2. Realize that all children report from an emotional bias and usually do not include all the information.
3. Understand that the academy has reasons for every rule, that the rules are enforced without partiality or favor, and that when there is no longer need for a certain rule – that rule will cease to exist.
4. Fully support the administration, and **PLEASE** contact the academy office for all the facts.

The paramount rule is “Do Right!” Demerits are earned for disturbances or broken rules. Three or more demerits in one day result in lunch detention. Students serve detentions by sitting at an isolated table quietly and doing PACE work.

Demerits earned after 2:30 PM are recorded **for the next day**.

Detentions are earned as follows:

- 3 demerits = 20 minutes detention
- 4 demerits = 30 minutes detention
- 5 demerits = 45 minutes detention
- 6 demerits = 60 minutes detention

When a student earns a detention, a “Detention Slip” will be sent home with the student. It is to be signed by the parent and returned the following morning. **If the “Detention Slip” is not signed and returned it is an automatic 2 demerits the next day**. If a student “forgets” to serve his/her detention, the detention will be doubled for the next day. The detention limit for one week is two hours. If this limit is exceeded, the matter will be brought to the attention of the administration, which in turn will conference with the student and parents. The student is placed on probation. If the administration believes that the situation has not changed within two weeks, the parents may be asked to withdraw the child from Woodland Hills Christian Academy.

EIGHT CHARACTERISTICS of a CHRISTIAN SCHOOL

by David Gibbs | Attorney for the Christian Law Association

- I. A Christian school must lead a child to Jesus Christ as his Lord and Savior.
 - A. The number one priority- seeing every child saved.
 - B. Pray for every child individually by name daily.
 - C. What good is it to fill a mind, and lose a soul.
- II. Knowledge of God's word
 - A. One is an unlearned person if they do not know God's word.
Degrees, diplomas, etc. mean nothing.
 - B. "Study to show thyself approved"- II Tim. 2:15
- III. A Christian School should teach students to be soul winners and bear fruit.
 - A. There will be no fire in the classroom 'till there is a fire in you.
 - B. "Go ye therefore to all the nations, ...teaching them to observe all things whatsoever I have commanded you"- Matt. 28: 19-20
- IV. A Christian School should teach its students to fear God.
 - A. "The fear of the lord is the beginning of wisdom and the knowledge of the holy is understanding"-Prov. 9:10
 - B. "...fear God, and keep his commandments: for this is the whole duty of man."- Eccl. 12:13
- V. The way of Holiness
 - A. Teach them to live holy and Godly lives- Walk in the way of holiness. -I Peter 1:15-16; Col. 1:22; II Cor. 6:17
- VI. Stewardship of Life
 - A. The life I now live; I live for Christ; dead to self.

Reprinted from A.C.E. School of Tomorrow Procedures Manual

- A. Our school should not have the following:
 - 1. Students who lack character.
 - 2. A secular atmosphere (secular youth activities, TV talk or language, lewd body movements)
 - 3. Negative attitudes
 - 4. Critical spirits
- B. Our school should have the following:
 - 1. A clean and uncluttered environment
 - 2. Positive and up-lifting attitudes
- C. Advantages of wearing uniforms
 - 1. Uniforms contribute to higher academics. Students are less concerned for their dress & concentrate more on academics.
 - 2. Uniforms contribute to greater self-control in students. A sharp-looking, neat student will tend to act that way, a sloppy appearance tends to foster undisciplined character.
 - 3. Uniforms reduce clothing cost & make it easy for students to know what to wear each day. Quality uniforms can be worn from one to three (or more) years.
 - 4. Uniforms build school spirit.
 - 5. Uniforms eliminate competition in dress. Peer pressure regarding clothing is minimized.
 - 6. Sharp uniforms command respect.
 - 7. Sharp uniforms can help to improve a student's self-image & give him a sense of personal worth.
 - 8. Uniforms standardize the dress code. They eliminate conflict over what students can & cannot wear.
 - 9. Modest uniforms help students learn to dress appropriately, preventing immodest apparel & slovenly appearance at school.
 - 10. Uniforms help establish a pattern of life whereby students may select other appropriate clothing throughout life. They can help build convictions on what kind of clothing is modest, conservative, and appropriate.
