VISION

The vision of Woodland Hills Baptist Church is "Preparing People For The Coming Lord." To meet the ever-increasing needs of our city, area, state, and world, we must have a strong base. Essential to that foundation is the necessary physical facilities.

Our new Preschool/Children's Building will meet the needs of the present and the future. We thank God that He has opened a way for us to say, "Let's build." We all have the opportunity to help "build" by participating in our Building For Eternity campaign. Let's all do our part to put our vision into reality.

*Not Equal Gifts....
But Equal Sacrifice*

BUILDING FOR ETERNITY CAMPAIGN WILL USE MANY PEOPLE ON COMMITTEES AND TEAMS

The following people have been enlisted to serve on the Campaign Leadership Team...

Charles Hunt, Pastor

No effort will enjoy complete success without the wholehearted backing of the pastor. Bro. Charles has already shown that he knows the importance of this effort. He will be the featured speaker at the Banquet at the Holiday Inn on Saturday night, May 20 and will work closely with each committee.

Michael & Renae Purifoy Marty & Christy Mayfield Campaign Co-Team Leaders

They are to give general supervision to the campaign and preside at the Campaign Leadership Team meetings. They will keep in close contact with committee Team Leaders who comprise the Campaign Leadership

Team, and most chairpersons will make reports to them. They will be a valuable resource for each Campaign Leadership Team member.

Lee Hopkins Building Plan Team Leader

He is responsible to keep the congregation informed as to the updated building plans. This will involve having tours of the new building and explaining all details about the new building.

Greg Stewart Prayer Team Leader

He is responsible for building an organization that will make prayer a priority for homes of every church family. The purpose of this team is to call the church membership to pray, not only for the building campaign but also for all the ministries of our church that

is taking place now.

Sheila Connor Gloria Williams Banquet Co-Team Leaders

They and the people helping them are responsible for the arrangements and the Hostesses for the Banquet, the Children's Party, and the Nursery the night of the Banquet.

Jason Hunt Telephone Team Leader

He and the people working with him (HillToppers) are responsible for making sure every person gets a personal phone call about the Banquet and reservations are made.

Kaye Eishen, Team Administrative Assistant

She will design and print all newsletters, brochures, faith cards, and reminders for the entire BFE emphasis.

GOALS SET FOR BUILDING FOR ETERNITY EMPHASIS

Our church voted to launch a building fund emphasis to raise money over the next three years in order to build and furnish a 16,000 square foot Preschool/Children's Building. It is a great step of faith for Woodland Hills, but nothing is impossible with God!

This is a 3 year or 156 week emphasis. The theme of our capital fund-raising effort is **Building for Eternity**. We are challenged by the theme, "not equal gifts...but equal sacrifice." As we reach these goals, it will be one of the most exciting times in the history of our church.

A NOTE FROM ROSIO NEWTON, PRESCHOOL DIRECTOR

Woodland Hills Baptist Church, the last years 13 years, has been a major part of our lives. Since our time as college students, newlyweds, to a growing family, our lives have been enriched with building relationships and fellowship with believers.

As we raise our own family, our heart's desire is that our own child has a place to connect, grow and serve. As parents we are so excited that our daughter will have a place for her spiritual growth and development, to help us as parents to raise her with God's grace and love. She will be part of a marvelous plan the Lord not only

has for her but every child, grandchild, and family that steps foot into a new children's building. A building that has been prayed over by elders, youth who volunteer to help during worship hour, the moms and dads who drop their child off at day school and the grandparents that bring their grandchildren to church. Everyone has a part and a place in this physical building and most importantly the part they play in the eternity of everyone, child or adult, that walks through it. This building, though made by man, will have an impact on things that are everlasting. Our prayer as individuals, a family and a church is

that the Lord reveals to us our part in sacrificially giving towards Building for Eternity.

Psalm 71:17-19 "Since my youth, O God, you have taught me, and to this day I declare your marvelous deeds. Even when I am old and gray, do not forsake me, O God, you who have done great things. Your righteousness reaches to the skies, O God, you who have done great things."
