From My Heart...

Come be part of the family...the family of God at Woodland Hills! Thanks for participating and wearing name tags this month.

One of the highlights of the ministry of Woodland Hills is VISION 20/20. Everybody has their take on it, but I want to remind each of us what VISION 20/20 really means. VISION 20/20 is **NOT** about doing something by the year of 2020. To be honest with you, I'm not worried about the year 2020. I'm concerned with the fact that people are going into eternity now without Christ. I'm concerned with being in the perfect will of God today!

VISION 20/20 is an emphasis that encourages us to get our vision of the Kingdom of God in focus. For us at Woodland Hills, it involves 3 major areas. You'll find those 3 areas on every offering envelope, but it's much more than just money.

MINISTRY – This is where our tithes go. The Bible teaches storehouse tithing and that's what we use for ministry. God has blessed us with a great facility to worship it. We've been blessed with a tremendous staff. We are involved in preparing people for the coming Lord. That involves senior adults, youth, children, preschoolers, babies, singles, married couples, families, music involving handbells, choirs, ensembles, solos, Awana, discipleship, Celebrate Recovery, Small Groups, Life Groups, Benevolence and I could go on and on. Your generosity and faithfulness in tithing is what helps this ministry move forward.

MISSIONS – We are supporting the Cooperative Program of the SBC which has almost 5,000 full time missionaries in almost every country on the globe. We also support missionaries personally that are in Mexico, Philippines, Dominican Republic, Belize, Sudan, Kenya, and East Africa. There are other mission ministries such as the Shade Tree Ministry, other ministries to help the homeless, and new church planting. If you want to participate in missions, mark this on your envelope.

MULTIPLICATION – This item is to provide for the future buildings and facilities at Woodland Hills. Plans are underway to build a new Preschool and Children's Building in the near future. The money given in this account goes into the future buildings, parking lots, and facilities...

God bless you for your support...may we see clearly...VISION 20/20 is working!!!
