# Drive-In church

WOODLAND HILLS BAPTIST CHURCH

## From My Heart....

Isn't amazing how things can change so rapidly. That's one reason I don't watch basketball. You think you have the game wrapped up with only 15 seconds to play and all of a sudden it's gone. Life is a lot like that. I also remember what Bro. Graham told us... "life is like a roll of toilet paper, the closer you get to the end the faster it goes." Somehow I thought that might be relevant with the shortages of toilet paper today! James says life is like a vapor, here one minute and then gone.

In these times of great confusion and unknown, there will be many opportunities for us to show great kindness. For some of us, this might only mean staying home as much as possible so as not to aid the spread of the virus. For others of us, business owners, it might mean being generous in a way that hurts our pocketbooks. For still others, it might mean being merciful when collecting what is due to us. Or sharing our toilet paper. Or maybe picking up the phone and checking on someone that is dear to us.

So, what am I to do today?

- I will spend time reading the Word of God and praying. How about we all read the book of John as a

church and see what God says to us through His Word.

- I'm to be sensitive to the needs of those around me and minister to people I may have never thought of before.
- I'll watch a Murder She Wrote movie until my eyes can't stay open anymore.
- I'll encourage the kids and family
- I'll try not to watch the news too much

In a lot of ways, this is a different world than it was two weeks ago. But in other ways, for the Christian, it's not so different. We're understanding that the things we thought were so important, really aren't that important. We're still called to be faithful to the end.

I'm looking forward to the return of our Lord.

"But until then, my heart will go on singing

Until then with joy I'll carry on  
Until the day my eyes behold the Savior  
Until the day, God calls me home."  
Stuart Hamblen
