## From My Heart...

**"He becometh poor that dealeth with a slack hand: but the hand of the diligent maketh rich. He that gathereth in summer is a wise son: but he that sleepeth in harvest is a son that causeth shame." Proverbs 10:4-5**

Those who are slack in their business are sluggards. We cannot deal with a slack hand; we cannot just throw away what the Lord has given us. We cannot spend foolishly; we must conduct our business in a businesslike manner. We are sluggards if we do not act wisely. The Lord is telling us we must use our understanding; we must use the wisdom He has given us to do that which is wise.

It is diligence the Lord wants us to use; we must act diligently, not as a sluggard who uses poor excuses to avoid doing what he should do. **Proverbs 20:4 says, "The sluggard will not plow by reason of the cold; therefore shall he beg in harvest, and have nothing."** We must use good reasoning.

I believe the Lord is giving us the faith to believe we will have a tremendous ministry at Woodland Hills...He will bless the fruit of our labors. Did we sit back with folded arms waiting for the Lord to bless? No. We must get up early and labor till night. We must be diligent in planting, in cultivating, in fertilizing, and in all the care of our ministry. Why? The Lord had already promised He would bless it.

Diligence must not be forgotten. **"Whatsoever thy hand findeth to do, do it with thy might..."** but we are not to trust in our labors or our wisdom, and we are not to be anxious about the rain or other elements or whether the Lord will bless. With a childlike faith, we trust the Lord will bless.

As we labor, the Lord looks at our hearts. We must do all our planning without anxiety or perplexity, but we may not trust in all our planning and labors. In our heart we could come to the place where we feel like we are pretty good businessmen. We are not salesmen or business men for Christ... we are Ambassadors! We represent the King of Kings.

Yes God is blessing...tremendously, but we must not take for granted what God is doing. We must continue to realize that everything we do needs the Lord's blessing. We must understand; we do not put our trust in our planning...our confidence is in the Lord.
