## From My Heart...

Welcome to Woodland Hills and thanks for being here on Father's Day as we worship the Lord. Let me share with you why I believe everyone should be committed to a local New Testament Church.

### 1. We meet Christ in a special way in Corporate Worship

Kent Hughes writes, "It is true that one does not have to go to church to be a Christian. He does not have to go home to be married either. But in both cases if he does not, he will have a very poor relationship."

### 2. The Church gives us the opportunity to show our love to God

A little old man was seen every Sunday morning walking to church. He was deaf, so he could not hear a word of the sermon or the music of the choir, or the hymns sung by the congregation. A scoffer asked, "Why do you spend your Sundays in that church when you can't hear a word?" He replied, "I want my neighbors to know which side I'm on!"

Consider these examples: If your car started one out of three times, would you consider it faithful? If the paperboy skipped Monday and Thursdays, would they be missed? If you didn't show up at work two or three times a month, would your boss call you faithful? If your refrigerator quit a day now and then, would you excuse it and say, "Oh, well, it works most of the time." If your water heater greets you with cold water one or two mornings a week while you were in the shower, would it be faithful? If you miss worship and attend meetings only often enough to show you're interested but not often enough to get involved, are you faithful? Does it show your love God?

### 3. The Church is where we find strength for difficult times

In Hebrews 10 the author talks about the difficulty of our spiritual walk and the necessity of persevering in our faith. He gives us practical help. He points us to the church. In verses 24 and 25 he writes: let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another--and all the more as you see the Day approaching.

### 4. The Church is an example for Christian Living

The apostle John said: This is how we know what love is: Jesus Christ laid down his life for us. And we ought to lay down our lives for our brothers. If anyone has material possessions and sees his brother in need but has no pity on him, how can the love of God be in him? Dear children, let us not love with words or tongue but with actions and in truth. (1 John 3:16-18) The church is to the Christian as the battlefield is to the soldier. It's the place where all the talk turns into action.

Randy and I and our entire family can not thank you enough for all of the love and support we have received. From every card, every text, every phone call., for those of you who stopped by with food and just prayed with us. Your love, support and prayers have carried us through. We are so blessed God placed us in this church. Love to all, Randy & Carol Modisette
