From My Heart...

All of us could think a little bit and remember some wise advice that we have received over the years. It may have come from parents or family, from school teachers or Sunday School teachers, or maybe even from a boss or co-worker. I've thought about some that have been a blessing to me...

...Always keep smiling...it makes people wonder what you've been up to
...Never drink downstream from where the horses or cows are...
...Early to bed, early to rise
...A candy bar a day keeps the doctor away...maybe that was an apple (It's been a long time!!!)

Looking through the Scriptures, if you were to ask the Disciples what is the best advice they ever received from Jesus, they may have referred back to Matthew 7:21-29. It's the story of the wise and foolish builders. The point is this...When you construct your house, build it on the rock. When the winds blow and rains come it will still be there after the storm. Those who build on the sand will find otherwise.

I know there are many great spiritual opportunities for Christians every day in America...a new book, a new movie or video, a new DVD series. BUT, there is no better way to get started on a good foundation or continue to build on a good foundation than Vacation Bible School. We'll meet every night this week to study the Bible, fellowship, and learn principles that will help us in the storms!

Our VBS is a Family VBS. Every member of your family is welcome to come. There is even a Nursery for babies for those who attend VBS. That means you can't leave your baby in the Nursery and go to Walmart!!! We're having a free area wide supper for everyone, so you can come from work, relax, eat, fellowship and then take some spiritual nourishment. There is a class for all ages. Turn off the TV, shut down all your nightly meetings, card games, and sports and be here each night! You'll be blessed and will become a wise builder...

I trust you are praying for Souls for summer...
