From My Heart....

There are more believers living in the United States than in any time in history. Hundreds of churches boast membership in the thousands and dozens of ministries claim to be touching the world.

- Gospel TV and radio aired twenty four hours a day
- Christian literature abounds
- Believers are neck deep in praise tapes and teaching materials

But something is terribly wrong.

- Our society is crumbling all around us.
- The fear of God has all but disappeared.

The church has backslidden without even knowing it.

- Like Sardis in the Book of Revelation, we have become "The perfect model of inoffensive Christianity." "Having a reputation of being alive, yet being dead." Revelation 3:1
- Like Sardis we have come to terms with our pagan environment and provoke almost no opposition and make almost no impact.
- Like Sardis, situated high on a mountain, we have felt safe and secure in this world.

The fact is, we have gotten so fat that we can't even get out the church doors to touch the world.

- Our contemporary gospel has bred
- complacency instead of compassion
 - success instead of sacrifice
 - prestige instead of prayer

We no longer ask what we can do for Him, but ask what He can do for us. God help us to repent! Join us for Awesome August Monday nights...starting tomorrow!

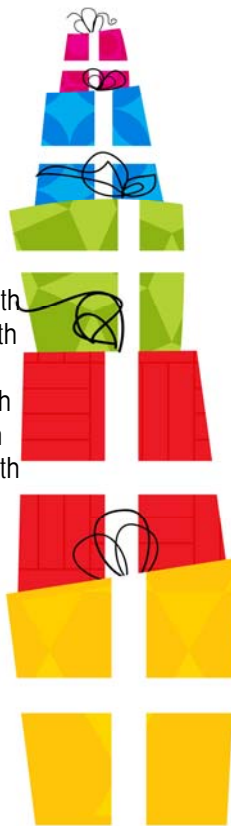

Preparing People For The Coming Lord,
Bro. Charles

AWANA CONFERENCE Saturday, August 15

Please sign up with Christy Mayfield and plan to be here that Saturday. Every worker at Woodland Hills gets to come free because we host the conference. Please take advantage of this great training!!!

THANK YOU

Thank you for showering our family with love. Our church has blessed the Olvera family in so many ways, from prayers to dinners and everything in between. Our mother filled each daughter with the love of Christ and we will soon be reunited. We have been encouraged during this time of mourning and thankful we have a church family like Woodland Hills. ~Rosio, Matt and Pia Newton
