From My Heart...

"For your unfailing love is as high as the heavens
Your faithfulness reaches to the clouds." (Psalm
57:10)

Norman Vincent Peale used to tell the story of a
struggling businessman who reached a turning
point in life after seeing a picture of a boat stuck in
the sand. The caption said, "The Tide Always
Comes Back."

Many times we are guilty of making two mistakes in life.

1) When things are good we tend to think they will always be good. What a wonderful place to be in life, when things are going good! When we're on a roll, it just seems like everything we do comes up good. Churches are like that also. When things are going good, everybody has plenty of praise to go around and everyone is happy! It's a mistake to think that things will always be good.

2) When things are bad, we tend to think they will always be bad. What a horrible place to be in life! I mean when we're down, it seems like every phone call, every letter, every person we come in contact with has some more heavy weight to throw on us. We get to the point where we think, "what's the use? There's no hope." That's a mistake also to think things will always be bad.

Both ideas are wrong. Life, and all it consists of -- our marriage, our ministry, our relationships, our finances, our "approval rating", etc. - tends to go up and down in cycles. As the old hymn says, there is an ebb and flow to life.

There is one constant in all of this: God's faithfulness to us. And our ability to thrive depends on our faithfulness to him. Today, whether your tide is in or out, lean on the faithfulness of God. Be thankful for his goodness; be thankful for his mercy.
