From My Heart....

One of my favorite sitcoms from the old days is *Barney Miller*. My favorite character was "Fish." Abe Vigoda has been playing an old man longer than he's actually been one; he was only in his early 50's when he played the soon-to-retire Sergeant Fish. In 1982, *People Magazine* reported that he was dead. In 1987 a news reporter referred to him as "the late Abe Vigoda." Vigoda took the false reports in stride. It has become a running joke. In spite of the fact that many people think he's passed on, Abe Vigoda just keeps going. He's 94 now, and he's still working.

When Nehemiah was rebuilding the wall in Jerusalem, there were many who said that Nehemiah was the wrong leader and that his ambitious project was doomed from the start, but Nehemiah kept working. Paul's critics misrepresented his doctrine and celebrated his incarceration, and yet Paul kept on preaching, kept on writing letters, kept on serving churches.

You may hear the same sort of stuff in the as Satan tries to knock down the ministry that is happening all around us. The building projects that will allow us to continue to grow will be proclaimed by some as money thrown away...useless.

From time to time there might be one or two who are ready to pronounce us, or our ideas, or our ministry, dead on arrival. The one I like best is "they're only growing over there at Woodland Hills because of emotion!" Most of those are just envious because the emotion and spirit have left their place "dead as 4 o'clock" a long time ago.

There's only one way to prove them wrong. Take it in stride. Keep showing up. Keep plugging away. When you get knocked down, get back up. It's not what anyone says that matters, or even what they think that matters. It only matters what you do for the glory of God!

We need to remember the words of Paul: *Am I now trying to win the approval of men, or of God? Or am I trying to please men? If I were still trying to please men, I would not be a servant of Christ. (Galatians 1:10)*
