From My Heart...

Thanks for worshipping with us today!

"Give me a hundred men who love nothing but God and hate nothing but sin, and I will shake the whole world for Christ." John Wesley

In December 1944, the German army launched an unexpected attack. In what was to become known as the Battle of Bulge, the Nazis drove deep behind Allied lines.

Writing in WW II about the reaction of the American troops to this attack, James Jones said, "No one of these little road junction stands could have had a profound effect on the German drive. But hundreds of them, impromptu little battles at nameless bridges and unknown crossroads, had an effect of slowing enormously the German impetus... These little die-hard 'one man stands,' alone in the snow and fog without communications, would prove enormously effective out of all proportion to their size."

It doesn't take many... but it does take someone who decides to be faithful. Faithfulness is not just a one time commitment. It is a continual decision that we must make daily.

Jesus said in Matthew 10:38-39, "And whoever doesn't take up his cross and follow Me is not worthy of Me. Anyone finding his life will lose it, and anyone losing his life because of Me will find it."

All of us are limited in what we can do for Christ...the older we get our mind says we can but our body says you're out of your mind! But one thing we can do...we can be faithful. When we are faithful, God works everything else out for His glory!

Update on Children's Building

Much work is happening...the problem is most of it is underground and you can't see the results. The drainage, foundation, etc... is very important to any building. No matter how good the building is, it is no better than the foundation. You will begin to see visible results in the near future. Thanks for your prayer and financial report! We are Building for Eternity!!!

Mason Creek Update

God blessed with a great first service at Mason Creek last Sunday. Thanks to all who worked, visited, planned, and prayed to make it all happen. Much work has been done physically...new carpet in Worship Center, new lighting, new stage, new sound booth, new tile in Fellowship Hall, new paint, new vinyl plank in the hallway and more. The lighting is being paid for by those who pledged to purchase lighting. Everything else is paid for by the insurance company. We could only get the amount if we actually did the work. So, praise the Lord!
