## From My Heart...

We celebrate MISSIONS today at Woodland Hills! You have been a tremendous Mission minded church from day one. I praise the Lord for your faithfulness.

We will be taking a special offering to help with Disaster relief in the Golden Triangle area. Our men and ladies have already made several trips to do hands on work in the area in various churches. Just looking at a rough estimate, our church has already saved those area churches more than \$90,000.00 by the work that has been done. Praise the Lord.

When we did the BUILDING FOR ETERNITY EMPHASIS last may, we voted as a church to not do any dirt work or begin any type construction until we had \$500,000 on hand. I'm praising the Lord because we now have over \$510,000 on hand. Several thought we'd be two years plus getting that money. God has done it in less than 20 weeks.

So what's the plan now? We continue to give as much as possible and work begins as soon as possible. One set of plans should be ready to review this week. When the plans are approved, the next step is to order the building. It will probably take eight weeks for the building to get here. In the meantime, rough in plumbing and the concrete slab will be finished. The longer the slab can cure, the better it is.

As we continue to give, our prayer is that we do it completely debt free. But when the money we have is spent, we will have a construction loan with the Bank to make sure the project is complete. Our goal is to have the building ready to use by September 1, 2018. Believe me, that is a faith goal!!!

Thanks so much for your faithfulness, sacrifice, prayer, and generosity. I know many of you have given sacrificially to make the dream of faith become a praise reality. Please continue to be faithful. It's exciting to see what God is doing! It's even more exciting to see what God will do in the future...
