## From My Heart...

Thanks for worshipping with us today! Our prayer is that your spiritual needs have been met and you leave this place saying it's been good to be in the House of the Lord.

The year I surrendered to the ministry in 1971, Andre Crouch wrote a song that has been a blessing to me all my life. This past week I was reminded once again of those words...

**How can I say thanks  
For the things You have done for me,  
Things so undeserved,  
Yet You gave to prove Your love for me...  
To God be the glory...**

I realize God's always gets the glory for all things...no doubt about that at all. BUT, I also realize that God uses people to get His work done, and you have a choice to either be a part or sit on the sidelines. So many of you are right in the middle of every play of the game!

### How can I say thanks...

For the wonderful surprise for Pastor Appreciation for Becky and I? There are no words to express what is on our hearts. We love you dearly and praise God for the honor to be serving here with you. Thanks for the food, fun, encouraging cards, and special love offering.

### How can I say thanks...

The weather did not cooperate, but you turned it around for good! Thanks for all those who worked to make this years Fall Festivals at the Main Campus and at Mason Creek the greatest ever?

### How can I say thanks...

For the ones who have labored in love working on our getting our Preschool and Children's building off the ground?

### How can I say thanks...

For our great Sunday School teachers and workers? It's more complicated having two campuses, but our leaders and workers have made them both work very efficiently. Thanks for the hard work!

### How can I say thanks...

For our wonderful church staff? They are the best! Plus they are a tremendous blessing to work with. Thanks!

### How can I say thanks...

To God for all His blessings? I believe there will be many more. I'm excited about BFE 2.

Bro. Charles
