The Chest of Joash special offering is based on 2 Chronicles 24. Joash was 7 years old when he began to reign as King. The Bible says "he did what was right in the sight of God." He made a chest and asked people to sacrificially give for the work of God. That's exactly what the CHEST OF JOASH is all about. It's tonight at our Agape Feast. We will all walk in front of the Chest and place our special offering in the chest. Pray about what God wants you to give for this special offering.

From My Heart...

Welcome to WHBC today. We count it a great joy and blessing that you are here to worship with us today. Our prayer is that God will bless you greatly and your needs will be met. And you can say when you leave, "It's been good to be in the House of the Lord!"

Colossians 3:15: "And let the peace of God rule in your hearts to the which also you are called in one body and be ye thankful."

A few days from now we are going to have Thanksgiving Day. The first Thanksgiving in America was celebrated by the Pilgrims in 1621. President Lincoln declared a national day of Thanksgiving in 1863. Long before Thanksgiving was a 'day,' Thanksgiving was given to us in the Bible as a responsibility, as a duty, as an exercise in obedience. God's Word says, "be ye thankful."

Thanksgiving is an amazing medicine. When we are thankful, worries cease. Complaining disappears. Peace comes into our hearts. When we learn to be thankful, when we develop the attitude of gratitude, we're on the way to being happy, contented people. It spares us from being complaining, critical, angry, depressed people. Thanksgiving has a marvelous healing, soothing quality to the people who learn to display it.

We have so much to be thankful for as individuals and as a church family. I'm not saying we have not had problems, trials and tribulations. But when I sit down and make a list of my problems, and then I make another list of my blessings, the blessing list far outweighs the problem list.

Come share your thanks with us tonight at the Agape Feast. Invite your family and friends. It's going to be a great time of when we can remember the blessings of God and give praise and thanks together.

Our Children will be singing and there is a special video that is going to "wet your wood!" See you tonight at 6:00pm.
