## From My Heart...

*"And let the peace of God rule  
in your hearts to the which also you are called  
in one body and be ye thankful."  
Colossians 3:15*

Look at those last three words. That's my thought I want you to grasp.

A few days from now we are going to have Thanksgiving Day. The first Thanksgiving in America was celebrated by the Pilgrims in 1621. President Lincoln declared a national day of Thanksgiving in 1863. Long before Thanksgiving was a 'day,' Thanksgiving was given to us in the Bible as a responsibility, as a duty, as an exercise in obedience. God's Word says, "be ye thankful."

Thanksgiving is an amazing medicine. When we are thankful, worries cease. Complaining disappears. Peace comes into our hearts. When we learn to be thankful, when we develop the attitude of gratitude, we're on the way to being happy, contented people. It spares us from being complaining, critical, angry, depressed people. Thanksgiving has a marvelous healing, soothing quality to the people who learn to display it.

We have so much to be thankful for as individuals and as a church family. I'm not saying we have not had problems, trials and tribulations. But when I sit down and make a list of my problems, and then I make another list of my blessings, the blessing list far outweighs the problem list.

Come share your thanks with us tonight at the Agape Feast. Our Children's Choir and our Day School will be our special program. No preaching! It will be a time when we can remember the blessings of God and give praise and thanks together.

If any church in East Texas ought to be thankful, it is Woodland Hills Baptist Church. God has poured out His blessings on this church in a special, abundant, and unique way. There are no words to express what God has done!
