

From my heart

Today is a special DAY OF GIVING at Woodland Hills, the Loop Campus and the Mason Creek Campus. We will also be having the Dedication of the new Preschool and Children's Building at 1:00 PM today. After services, we'll have plenty of food on the parking lot at the back of the property. I hope you'll be with us for this exciting time as we "Move That Bus!"

One of my favorite stories is of a pastor who was trying to raise several hundred thousand dollars to pay off the church debt. This older couple came by, dressed rather poorly, and said to the preacher after the service, "We'd like to come and see you tomorrow. We have \$12,000 we want to give to the church."

The pastor made the appointment. The next day the couple showed up with a gallon jar stuffed with money. They emptied it on the pastor's desk. They counted every bill, and the amount came to \$11,999. The old farmer said, "Pastor, that has to be wrong. I know there was \$12,000 in this jar. Let's count it again." The preacher said, "Oh, that's alright. I'll just put in the other dollar." The farmer said, "No, I know that there's \$12,000 in this jar."

So they counted it again, and the amount was still \$11,999. Well the preacher was getting kind of nervous and he said, "Look sir, don't worry about the other dollar. I'll put it in." The farmer said, "Pastor, I know there's \$12,000 in that jar. I have counted it several times and I'm not going to give any of it until I can give all of it." He insisted they count it one more time.

Well the result was exactly the same. There was only \$11,999 in the jar. All of a sudden the wife's face brightened up and she looked at her husband and said, "Honey, I know what's wrong. We brought the wrong jar!"

I hope you've brought the right jar this morning as we give sacrificially to pay off the debt of the new building. Our goal and prayer is have it paid for by July 1, 2020. If this happens, it's a "God thing." But God wants to use every member of this church to be part of this undertaking!
