From My Heart...

Thanks for being in services with us. I pray God will meet your need and you will be blessed by being here today.

Today is an exciting day at Mason Creek. New Bible Study classes begin at 10:45 AM. There will be time to grab a cup of coffee and donut after the service and then head to your classes.

There is a relationship which makes life complete. Without that relationship, there is a void, a vacuum in life. Many people, even those who are well-known, can attest to that void.

For example, H. G. Wells, famous historian and philosopher, said at age 61: "I have no peace. All life is at the end of the tether." The poet Byron said, "My days are in yellow leaf, the flowers and fruits of life are gone, the worm and the canker, and the grief are mine alone." The literary genius Thoreau said, "Most men live lives of quiet desperation."

Ralph Barton, one of the top cartoonists of the nations, left this note pinned to his pillow before taking his own life: "I have had few difficulties, many friends, great successes; I have gone from wife to wife, from house to house, visited great countries of the world, but I am fed up with inventing devices to fill up twenty-four hours of the day."

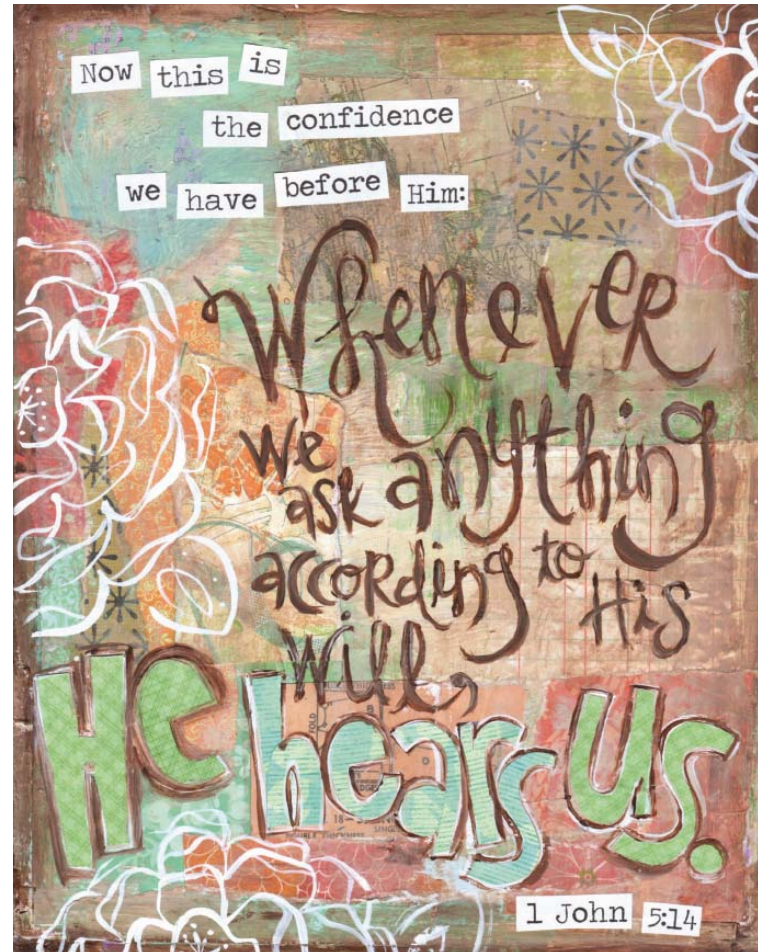

There is only one who can fill that void and bring peace and joy...JESUS! That's the reason we pray, preach, sing, teach, minister to all ages, support missions, and reach out to a lost and dying world. They're in darkness...we are in light. They have a void...we've been filled with the Holy Spirit. May God help us to do more building the Kingdom of God than ever before!

Scripture of the Month

"Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord. you."
