From My Heart...

Thanks for being with us today at Woodland Hills at Mason Creek. It's going to be a great day in the Lord's House today!!!

Thanks to all those who came to WORK DAY at the Main Campus yesterday. Many, many projects were accomplished as well as a great time of fellowship. When you work beside folks, you get to know them. When you get to know them, you begin to love them and build relationships. When we do that, we become more like the New Testament Church that Christ desires! I'm so glad I'm a part of the family of God at Woodland Hills!

John Newton said in the mid 1700's, "that the two pillars of our religion are, the work of Christ for us, and his work in us by the Holy Spirit."

If you want to find the apostles, you will surely discover them standing between these two pillars. What a rebuke this should be to us in modern times. We find so many who are always chasing novelties...seeking something new. Somehow, we've forgotten there are two primary pillars and we need to be found standing somewhere between them!

Our task as disciples is to declare that Jesus is the same yesterday, today, and forever. We have been blessed as a people to be born on the other side of Calvary. But with that blessing comes a great responsibility also. We have the complete report and there is no excuse for our failure to believe and live according to that report. We have the inerrant, infallible Word of God.

The nearer we keep to the cross, the nearer we keep to our true task. I pray that the Holy Spirit would give to us once again the bold and clear preaching of Christ crucified and raised in all simplicity and earnestness.

That's what Easter is all about...the simplicity of the gospel. What are you doing with it...or what are you doing about it? I trust you're actively involved in 1+1+1!!!

Scripture of the Month

"Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord."

Construction Update

You can tell from the scene walking in that construction is under way for our new Foyer and History Room. It's going to be beautiful and functional. We're on schedule to be finished before Easter!

The mobile home has been moved back so that we have enough room to build a front porch/deck.

Next Sunday, March 31

Bro. Kase Kuykendall will be preaching.

New Administrative Assistant

Starting Monday, April 1, Alison Logan will begin working as our Administrative Assistant at Mason Creek. She will have the office open 5 days a week in the mornings.
