From My Heart...

Thanks for being in the services today. Our prayer is that God will bless you and meet your needs as we worship Him in Spirit and in Truth.

The month of April is the most exciting time of the year for Christians! Easter is a great time of year. It's a time when the flowers start blooming and the cold weather is moving away. The greatest thing about this time of year is the meaning of Easter. If you are not familiar with the true meaning of Easter, you may think it's all about egg hunts for children and a mysterious visitation from a bunny who lays eggs and leaves behind a gift basket on Easter Sunday morning full of eggs and cheap toys.

Furthermore, you may find it difficult to understand why you are always getting pressured to attend the local church on Easter Sunday morning! You may be wondering why we can't have Easter on a Saturday or Monday?

Well - the true meaning of Easter has nothing at all to do with a bunny. It has everything to do with a man named Jesus. He literally died on the cross (the Roman execution system during biblical days). He was placed in a borrowed tomb. On the third day, He was literally resurrected from the dead. (Luke 24:6) Easter is a Christian celebration regarding the resurrection of Jesus from the dead! His resurrection proved to the world that He is the Son of the living God. He isn't a heretic or a blasphemer. He is God (John 8:58)!

Easter is about the fact that Jesus was resurrected from the dead. He is alive today! He is also the only means to reconciliation between God the Father and human beings. We have all sinned and deserve the wrath of God because of how we have disobeyed God (Romans 3:23; 6:23). However, only through Jesus can we be forgiven (Acts 4:12).

The Christian has true hope in Christ, and that's what makes Easter so special! Share this glorious truth with someone today! 1+1=somebody will receive eternal life!!!

ECHO Prayer App

Many have asked about how to remember to pray for some one. I, (Bro. Charles) use an app called "Echo." It's good for an I phone or android. Just search in your App Program for "Echo Prayer." It's easy to use. It will send you an alarm for the different prayer requests that you have. It is a great tool for 1+1+1!
