## From My Heart...

Thanks for being with us today as we worship our Lord in Spirit and in Truth. We're excited about next Sunday...EASTER 2019! I hope you can come back and bring someone with you!

### **Easter reminds us that what we do now has an eternal impact.**

The prevailing mentality of life seems to be that we should do whatever makes us happy in the here and now. This is all that matters. It is short-sighted. Little thought is given to the long-range implications of our actions. The message of Jesus reminds us that how we live our lives now will have a bearing on the reward we receive in eternity. Good stewardship yields eternal blessing. Sacrificial living bears an eternal impact in the lives of those around us and again brings a "Well Done" from the King of Kings. Godly obedience in the face of the world's resistance leads to the Lord's willingness to acknowledge us before the Father. The time we invest in getting to know the Lord now will give us a foundation for the future and a start on the life that has no end. What we do in this life has an eternal meaning.

### **Easter reminds us that the troubles of this life are temporary in nature.**

It is easy for us to become preoccupied with the trials of this life. The hard times can consume each one of us. The financial burdens, the health problems, the relationship troubles all stand like giants in our lives casting a shadow over us that is oppressive. Easter reminds us that the cross is followed by the empty tomb. Likewise, the trials of life are followed by resurrection and new life. This perspective helps us to see the struggles differently. We can step out of the shadows and into the light. The trials are temporary and our faithfulness in the midst of the trial will bring ultimate blessing.

### **Easter reminds us that life should revolve around the Savior.**

The Lord loves us and cares for us more than we can grasp. His wisdom, guidance, and strength are what we need in life. It is easy for us to become preoccupied with the trifles of life. The things of this world seem so significant and we push God to the side believing that "He will understand the demands on our time". Easter reminds us again that it is those who "seek **FIRST** the Kingdom of God" that will find God meeting all the other needs. Easter reminds us that we owe the Lord our lives.

## For Your Information

### Mason Creek Office Hours

The Church Office is open 8:30am till 12:00 noon each day. If you need anything, please call. Alison Logan is the lady in the Office. You can drop by anytime. Coffee is always ready! The phone number is (903) 758-2395. The Office is the "hub" for everything... prayer requests, bulletin announcements, calendaring activities, web site, data base plus anything else! Together we grow at Mason Creek!

### ECHO Prayer App

Many have asked about how to remember to pray for some one. I, (Bro. Charles) use an app called "Echo." It's good for an I phone or android. Just search in your App Program for "Echo Prayer." It's easy to use. It will send you an alarm for the different prayer requests that you have. It is a great tool for 1+1+1!
