From my heart...

Thanks for being a part of our Worship Service today. This is a very important day at Woodland Hills. . .VBS begins tonight at the main campus. I want to personally invite everyone to come back tonight. We have a family VBS for all ages! Come join us.

The week of VBS! Parents will be worn out, kids will be wired up, tempers will be on edge. All this expense, all this work, all this preparation. . .is it worth it?

I say yes it is! Statistics show that 60% of all American adults have attended VBS in the past. Some of my greatest memories are of VBS. I can still remember lining up outside of First Baptist Church, Corrigan. Marching in like soldiers singing "Onward Christian Soldiers."

VBS is worth it—all the effort, all the expense, all the hours, all the tears. Why? Because VBS is the one week that mobilizes the entire church to reach the community with the gospel, while simultaneously providing a unique discipleship experience for the individual child and volunteer.

The 2017 numbers reported to Lifeway by churches attest to the fact that VBS is worth it:

- 21,376 churches reported a VBS
- 2,494,059 people enrolled in VBS
- 65,301 salvation decisions from VBS
- 835 decisions made for vocational ministry at VBS
- 160,926 prospects discovered through VBS
- \$7,012,010 given to missions during VBS

This is only Southern Baptist and does not include hundreds and thousands of other churches. Thanks in advance to all who have worked, prayed, given and sacrificed to make this the best VBS ever at Woodland Hills! It is going to be a first class VBS because of you! I'm praying God will give you strength and patience!

We will also be having a special day time VBS at Mason Creek this summer. . .July 15-19. Start praying now!

Scripture of the Month

*No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.
Matthew 6:24*

SIGN OUT FRONT

we are aware the sign has some old information on it. We have a sign company trying to repair it. It has been difficult to find parts. The control panel was messed up during the storm. Pray it can be repaired soon!
