## From My Heart...

There is a very interesting quote, and I don't know who to give credit for it, but it spoke to me. Here is the quote...

**"WHATEVER WE FOCUS ON WILL BECOME LARGER AND LARGER."**

I got to thinking about this and it is so true..

\* If I focus on the wrong someone has done to me (or even think in my mind they have done to me) that wrong will grow larger and larger. It will gradually take over my life, my attitude, and consume me.

\* If I focus on the trials and struggles of my life, they will begin to grow even more in my mind and they will end up crowding out the blessings of my life.

\* If I focus on the faults and weaknesses of my spouse, I will no longer be able to see those great traits that drew me to her.

\* If I focus on the critical comments of men in regard to Scriptural authority of the Bible, then the Bible will become less and less sufficient in my life

### **BUT...YOU CAN TURN THIS AROUND!!!**

\* If I focus on Christ and his sufficiency, His greatness will dominate my life and my problems will lessen in comparison to His greatness.

\* If I focus on the promises of His Word, the threats of this worldly philosophy will be seen in their weakness.

\* If I focus on the strengths and gifts of my spouse, we will cherish them more and more.

\* If I focus on the blessings and gifts that God has poured out on me, I find gratitude growing more and more in my heart, rather than discontentment.

What are you focusing on today? I will promise you, whatever it is, it will become larger and larger in your life. Let's focus on JESUS!!! The King of Kings and Lord of Lords...

Preparing People For The Coming Lord,

*Bro. Charles Hunt*

## Scripture of the Month

Rejoice, and be  
exceeding glad: for great  
is your reward in heaven:  
for so persecuted they  
the prophets which were  
before you.

### **BREAKTHROUGH**

The film tells the story of a St. Louis teenager who slipped through an icy lake in January 2015 and was underwater for 15 minutes before resuscitative efforts were started. Although being rescued, he is in a coma, and his family must rely on their faith to get through the ordeal.

It is a great film for the whole family. Invite some friends and join us. Popcorn and drinks are furnished.
